Whispers from The Brighter World

Friday, February 2, 2001 – 7:30 a.m.

To you, my dear son.

Rejoice, my son, Satkhol is born. Satkhol is an important point in the history of Sahaj Marg. It will be a refuge for great souls after the upheavals that will arise in this century.

Satkhol will be one of the highlights of the Mission.

My divine Master is happy with this achievement. It is part of a series of great ashrams that will be landmarks not only in this country but also in other countries around the world.

Manapakkam is a high place, and one day Fatehgarh will follow in this line.

May grace be upon you this day, and may your heart be happy.

My Master is particularly pleased with your work. His blessings go out to you, and His presence at your side will be felt throughout this special day.

See only the achievements of the Mission – be joyful, my dear son. We wanted to manifest ourselves to you today, in this way.
