Whispers from The Brighter World

Friday, February 2, 2001 – 10:00 a.m.

We are happy, through this means, to be able to express our joy to your Master. This is an auspicious day for humanity, by the grace of God.

In coming to you, I confirm the words of this morning's message.

We are once again calling on your energy, but you will not regret it. Even if these messages reach our blessed son belatedly, he already feels the effects thereof in his heart.

You have a privileged role in this matter, since we are manifesting ourselves to you to reach him, through an uncommon means.

His Beloved Master already told him everything; what more could I add that he doesn't already know?

A long and constructive road has already been travelled. The Mission is flourishing despite all the mishaps it must endure. Negative forces come to the fore; it is part of the movement of life.

On this day, wherever you may be, grace is reaching all of you.

Medium: Is it really you, Lalaji, in the midst of this noise? I have doubts.

How can you doubt it, can noise stop us?
