Whispers from The Brighter World

Thursday, October 14, 1999 – 10:00 a.m.

Your heart is so much in need that we can only speak about Love, but we are going to weary the reader.

It is your inner attitude, 'your availability', as we have already indicated, that strongly calls for our feedback. Do you think we've made ourselves sufficiently understood? It is more than a 'heart-to-heart' – it is the heart in all its states!

If, as we hope, our messages have been well understood and assimilated from the beginning, you all must also be in the same state of receptivity, and not complain about the contents of these texts.

You, who have been nourished by them, you are making progress and your hearts have opened up imperceptibly; they are not tired of this speech, do you realize it? Is the mind still the strongest, or do you know how to put it in its proper place when needed, and let yourselves enjoy the unequalled sweetness of a state of grace?

It is up to you all to judge, but don't hold back; loving that way is no weakness, don't dismiss it, it must express itself, and thus transform you from within.

That will be all for today, think carefully on all this.

Analyse yourselves with complete objectivity and do not let any more barriers prevent you from advancing.
