Whispers from The Brighter World

A Fourth Revelation

Tuesday, December 28, 1999 - 8:00 a.m.

Ignorance and intolerance are the two plagues of humanity; they cause so many tragedies!

"If you look well around you and you analyse the situation, you will realise the evils which they generate.

"Peoples are exterminated; men are imprisoned, tortured. So has it always been, but the means being employed are more and more powerful and destructive.

"Nothing stops this madness; incomprehension and hatred are manifested at all levels of human society. Will the divine ire manifest itself with all its might to stop the madness of men? This is to be feared.

"The escalation is not only endless and worrying for the balance of the planet, but also for the larger system of which it is an integral part.

"You, who are wise, pray for men to regain their senses and for this madness which poisons the world to stop."
