Whispers from The Brighter World

A Fourth Revelation

Thursday, December 30, 1999 - 10:00 a.m.

Your only treasure on Earth is the good you can do for your fellow man. You cannot change the matters of the world such as laws or politics, nor avoid wars. But there remains a personal leeway for action; do not hesitate to use it. Good thoughts and good deeds constitute a very positive credit that can, if developed, restore the balance of the world.

"We place all our confidence in you and all those who, whatever their spiritual and humanitarian movements, are striving for good and peace.

"As far as you are concerned, you should try to take stock of your current life and project yourself towards the future. You can work out a plan of action and act accordingly. Nothing is impossible to pure hearts; the simple fact of being eager with all one's might to change the world by changing oneself is a commendable undertaking.

"We know that some of our candidates are surprised by all these comments; but life is a whole.

"One cannot advance happy-hearted and at peace while walking on ruins."
