Whispers from The Brighter World

Tuesday, October 31, 2000 – 8:30 a.m.

In all life events, what is important for all of you is to keep your self-control and the attitude that corresponds to your deep convictions. Feeling connected to your Master, in all your tribulations, protects you from harmful effects. He must remain your guiding thread in all circumstances; you are under his protection.

He cannot spare you the jolts inherent in all life. Ordeals are unavoidable, formative, and free you from your chains.

They must be accepted in this spirit, without rebellion, since they are steps that raise you, little by little, towards the peak.

We repeat: all is counted.

Live in surrender and confidence, happy and conscious of being lucky to leave behind you the darkness of ignorance.

Faith is a torch that illuminates your road.

May love illuminate your life and protect you all from evil, while delighting your soul and making you advance joyfully.
