Whispers from The Brighter World
A Fourth Revelation

Friday, December 31, 1999 - 8:00 a.m.

You should prepare for changes that will take place in you and that are likely to shake you up a little. You are moving towards increased detachment by leaving aside superfluity, useless aspects. Do not worry; we are guiding you on the way to wisdom where you are advancing step by step. Surrender to my heart as you used to do so well; you know that we watch over you and we also surround you with love.

"We know what you are longing for: peace in relation to the worries of daily life. You must put up with so many problems; we do not have now the suitable person to relieve you from the many worries that weigh on you.

"Show some more patience, my child. There is no miracle solution for the moment. You have regained peace of mind at this end of the year by being helped by somebody who suits you better; this is already appreciable.

"Today's advice for all of you is: be in acceptance and surrender, it is the best thing that can possibly happen to you."
