Whispers from The Brighter World

A Fourth Revelation

Sunday, January 2, 2000 - 8:00 a.m.

Remember that bonds of the heart – subtle bonds – defy distances. Do not be sad to see your children-in-heart leave. Life is like that, each one has one's destiny. Distance has no relevance; you will continue to work together on what must be done and completed, with regard to what we expect of you.

"Being messengers of the heart is not an easy task; you will be inspired in due course.

"This meeting was beneficial in many aspects for each one of you, and we are happy for that.

"Our abhyasis have mobilised themselves at this year-end to meditate in ashrams and centres or quite simply at home, far from the noises of the city, far from this hustle and bustle generating violence and all kinds of excesses.

"We note with the passing years the progress of our candidates and, more generally, the changes in their ways of living and behaving. We are all delighted here about that, and we will continue to see to it that this transformation is carried out more and more deeply."
