Whispers from The Brighter World
A Fourth Revelation

Monday, January 3, 2000 - 8:00 a.m.

"In those moments of communication between us, try to forget your body. Let yourself be overcome by this salutary wave. Leave aside the world you are living in, plunge inside yourself and let yourself be carried away."

The Medium: "Letting myself be carried away and writing [at the same time] is not particularly easy, Babuji!"

"It is true, but you manage to do it very well. You will soon receive a message for my son. Sulochana is regenerating; she is recovering from all her trials. Before long, she will come forward.

"A new year is before you, my dear daughter; we must find a way to relieve you. Do not lose heart.

"You have received the talent for love. This gift is invaluable; it is your recourse and your solace. Not everyone has this faculty, but you can make it grow in you.

"Love your Master with a sincere and deep love. Keep this flame in you, relentlessly. It will not leave you any more. It will be part and parcel of you and your faith will be strengthened and enriched.

"Love responds to love, it is a divine law. Immerse yourself in this blessed condition, so that this year 2000 opens new spiritual prospects for you."
