Wednesday, February 9, 2000 - 10:30 AM

As regards that Foundation, it will be necessary to be very prudent and to base well its legal structure on the American law. Do not do anything in Europe that will once again undergo ordeal by fire in the future, with all that it implies: hunting whatever extremist dictatorships that raged in the past consider as an occult power.

"These forces of evil are there in the darkness, awaiting the time to show their omnipotence."

Babuji
