Whispers from The Brighter World
A Fourth Revelation

Friday, January 7, 2000 - 10:00 a.m.

You see that love is the best remedy, that it puts a balm on all evils. To merge in it in the secrecy of your heart, is this not the true refuge? Feed on the divine nectar and let these moments embellish your day.

"Benefit from these graces as much as you can; they are unique and restore your courage to advance. In these privileged moments, are you not happy to be only a pencil, as you say, using it, but living very special states?

"We know that you do not wish any more to lay down your impressions on paper, so as to live them more intensely inwardly. We understand it and our union is therefore only more perfect.

"Those who read us, if their sensitivity permits, can feel all the magic of it. You would like to be able to sing a hymn of love which would echo across the Earth and beyond; this is what you do, my child, in the secrecy of your soul so full of Him that it can only overflow and follow the ways wanted by God."
