Sunday, March 1, 1998 - 10:30 a.m.

(During the 10:00 a.m. meditation. It is a regional seminar at the ashram.

I am sad to be at home, I call Babuji several times.)

The Medium: "Why, why should I always be suffering?"

You know it, and your love is all the more praiseworthy. Do your practice well."

Saturday, March 14, 1998 - 12:00 p.m.

(In meditation.)

You should not lose heart like that. Have you lost faith, faith in us, in our love, in your glorious future? All is not finished. We already told you that a solution would be found to relieve your pain. It takes time and patience. You have always demonstrated it for thirty years, except for your inevitable periods of discouragement. Didn't we help you? Be strong and confident. You know well there are no miracle solutions to your problems. They are not new, but we have always kept you at a bearable threshold. Our love is also manifested through beings who come towards you to help you. Be confident, see you soon."

The Medium: "Is this really you here, Babuji?"

"Yes, in all his splendour."

Babuji

(A mischievous laugh provoked by the eternal questioning after a contact with him.)
