Whispers from The Brighter World
A Fourth Revelation

Friday, January 14, 2000 - 10:00 a.m.

Being the link that enables us to communicate with you on this Earth is a beautiful mission. We are happy to be able to express ourselves by this means and to personally contact certain loved beings very close to our heart.

"We have addressed many topics but we cannot go beyond, in terms of the explanations we give you in some cases. We regret it; there are limits not to be exceeded concerning the teaching to be given to Earthmen.

"You have enough information to lead your life according to the path you have chosen: the line of wisdom and true spirituality divested of any superfluity.

"You should have your own creed, track your weak points, and let the strongest grow as much as possible. Become 'lions' – roaring inwardly, and perfectly disciplined in the outward manifestations of your behaviour.

"May a powerful fire burn in you, wiping out any dross likely to hinder your rise!

"We bless you all in your undertakings."
