(In meditation.)

ou must not be discouraged like that. Have you lost faith, faith in us, in our love, in your glorious future?

All is not finished. We already told you that a solution would be found to relieve you. It takes time and patience. For thirty years you have always had these, apart from your inevitable periods of discouragement. Have we not helped you? Be strong and confident. You know well there are no miracle solutions for your problems; they are not new, but we have always kept you at a bearable threshold. Our love is also manifested through beings who come to you to help you. Have confidence, see you soon.

The Medium: Is this really you here, Babuji?

Yes, in all his splendour.

Babuji

(A mischievous laughter caused by the eternal questions after a contact with him.)
