Birthday of Babuji

(4:00 p.m., during the projection of the video 'Love Him Who Loves All'. Anne-Marie is present.)

This world is mere illusion, don't become attached to the form. Only the spirit matters.

(This, in answer to a reflection at the beginning of the video. At the end of the showing, the rest of the message:)

You both have my blessings. Continue in the purity of the heart and according to what you believe is right. My gaze follows you; be in love. Truth is one and multiple; don't stop at human behaviours, the Master knows what he is doing. Wait for clarity, in a state of serenity and confidence.

Blessings.

(After a time of silence.)

Whatever the present, rejoice; great things are being prepared for the future. Be confident.
