Whispers from The Brighter World
A Fourth Revelation

*Wednesday, January 26, 2000 - 10:00 a.m.*

*e have come a long way together; we tried to open your eyes on certain aspects of life around you and inside you. We would like to have succeeded in transforming it in the right direction.*

*"Do you feel better, more open to the others and more focused on your spiritual path? If so, these writings have succeeded in touching their target; we will not ask anything more of them. We are sensitive to your progress; it is the best armour you can possibly have.*

*"We will continue to watch over all of you who belong to the big family of Sahaj Marg. Your evolution in this life has enabled you to join us.*

*"You have an effective means to advance; may you benefit from it fully with the blessings of your Master, as well as our blessings."*
