o not feel melancholy, my child, your mission is not finished.
"Remember that 'the end of a path is the beginning of another'.
"You can conclude by adding the few remaining pearls followed by a Kabir poem of your choice."

Pearls of Babuji

"Chance does not exist. It is an opportunity given to man for his destiny to be fulfilled."

☆

"Our difficulties are only as important as we believe them to be."

☆

"It is not the living Master who is present everywhere, it is the divine energy which he concentrates and disseminates."

☆

"God: if God is not in one's life, it lacks the most important dimension."

☆

"Who are you as thinking and acting entities? You should always regard yourself as being as small as an atom in the hand of God."

☆

"True grace is to find the strength to accept a test."

☆

"Any test is initiatory if it is accepted."

☆

"The Mission must become a buzzing hive, producing the best honey."

☆

"The end of a path is the beginning of another."

Beneath the great umbrella of my King
Millions of suns and moons and stars are shining!
He is the Mind within my mind:
He is the Eye within mine eye.
Ah, could my mind and eyes be one!
Could my love but reach to my Lover!
Could but the fiery heat of my heart be cooled!

Kabir says:
"When you unite love with the Lover,
then you have
love's perfection."
