Whispers from The Brighter World
A Fourth Revelation

Wednesday, February 2, 2000 - 10:00 a.m.

The Medium: "O Lalaji, may your light enlighten us and may Sahaj Marg illuminate the world."

Do not worry at all, my daughter; the flame of Sahaj Marg is nowhere near dying out. Today's world needs it, but even so it is much less than tomorrow's world.

"The means, so simple and accessible to all, is an infinite grace granted to humanity by the Almighty. In the dreadful ordeals that the Earth will have to undergo in the future, this recourse to true spirituality, pared-down and accessible to all, will be welcome.

"You are the pioneers of this vast undertaking and you must be rigorous in your way of living this mystical experience. It is by dint of it that you will fully benefit from it. No method is fruitful without effort.

"May grace be upon you on this exceptional day, since God wants it to be like that. Be in peace and make sure it prevails around you."

Lalaji

"Lalaji really wanted to come forward to you, today. He follows your progress. My dear daughter, we will not insist any further."
