Birthday of Babuji

(4:00 p.m., during the videocassette screening of "Love Him Who Loves All". Anne-Marie is present.)

*This world is mere illusion; don't become attached to the form, only the spirit matters."*

(This is an answer to some thought at the beginning of the videocassette screening.

At the end of the showing, the message continues like this:)

*"You both have my blessings. Continue in the purity of the heart and according to what you consider right. My eyes follow you; be in a state of love. Truth is one and multiple; don't dwell on human behaviours. Master knows what he is doing. Wait for clarity, in a state of serenity and confidence.*

*"Blessings."*

(After a time of silence.)

*"Whatever the present, it does not matter; rejoice, great things are in the offing for the future. Be confident."*
