Whispers from The Brighter World
A Fourth Revelation

Thursday, February 10, 2000 - 8:00 a.m.

My dear daughter, you have cleared some important stages, during which you have exercised faith in us and shown us your love. The result is satisfactory.

"You will then advance towards the next step which will bring you closer to us. The veil being less opaque, it will enable you to receive us more easily.

"Meditate as much as possible, you do not devote enough time to the practice. Organise yourself differently, since there are fewer messages. We are very happy to see your sisters meditate with you.

"You cannot go to the ashram, yet these moments are beneficial for you all. Take utmost advantage of this day when subtle vibrations are coming towards the Earth.

"Be in a state of love and joy."
