ou need to have patience."

The Medium: "This is the only thing I'm doing, Babuji, being patient."

"It is what you had to work on in this lifetime; the yoke of your life has obliged you to become patient. Together with acceptance and surrender, the formula is excellent for one's path to be the nicest possible – do not forget it.

"Come and join us in your inner sanctuary.

"As regards the events we have in mind, you should be confident; there too, time must do its work."
