Preamble

Contact with Master. No written message, a heart to heart experience. [I have] the feeling to merge with him; it is a very special feeling.

(Sitting with Marie Christine)
Her comment afterwards: "It is beautiful, it is great, Master is inside you. There is nothing else to do or to say." She was unaware of my experience of the day before. She said to me: "You should note that down in your diary." I have no diary, but taking into account the confirmation obtained through her comment, I take note and I start to believe it.
