Whispers from The Brighter World
A Fourth Revelation

Saturday, March 4, 2000 - 10:00 a.m.

et your joy remain in spite of everything! The treasure is inside you; nothing or nobody can take it away from you.

"You can sing love in every way possible, this melody keeps delighting us. Human love is our comfort; bringing you to this state makes us happy. When all incarnate beings bathe in this harmonious vibration, we will have achieved our purpose.

"We also have our own dreams, which are not utopian. We work towards this sublime achievement. That is not for tomorrow, but time does not matter. This kind of love cannot be assessed, one can only live it; it is a divine gift."
