Whispers from The Brighter World

A Fourth Revelation

Sunday, March 5, 2000 - 8:30 a.m.

I will do all my best to come towards you, but do you believe that henceforth we need to be seated face to face to know each other better? All the barriers are removed between us.

"You have just to plunge into yourself to find me.

"We will try to meet so as to make this new relationship a reality. You cannot travel and I am tired of traveling out of necessity. Let us benefit for the moment from these special heart to heart contacts and the future will decide about the next steps."
