Your problem is not easy to solve. We are trying to find a solution to help you. Do not lose heart. Meditate."

The Medium: "So, when one is liberated, they continue to suffer so much?"

"Liberation is not the end of the road."

The Medium: "O Babuji, I cannot stand it any more!"

"I thought you wanted to go as further ahead as possible in this life. We provide solace to your heart, my child, to help you to endure."

The Medium: "I would like so much to be able to go out again..."

"When you have taken stock of your confinement, you will see how much it is positive. Remember what I told J.-Michel. Our views are not yours. Humans are like ants moving blindly, though their path is all set and if they deviate from it, they all are disorientated. Take advantage of this period of your life. Thank God for all that you receive and for having been chosen to serve Him. Realize your luck; your life could have been dull and devoid of interest and yet you are our 'girl guide'. (Laughter) Look at your heart only; you will see only the beautiful inside, since God resides in it."

The Medium: "I will not be able to read this message to the others!"

"Let at least Francoise peruse it. Blessings to you both!"
