Whispers from The Brighter World
A Fourth Revelation

Monday, March 6, 2000 - 8:30 a.m.

The Medium: "O Master, it is good to eventually be able to let go of one's heart."

Our love is very old and deep. We had to surmount many obstacles and to be refined spiritually for it to become as pure as crystal.

"Our path was long and painful to get rid of all this dross.

"We are happy to see you progressing and advancing step by step towards a luminous world where the Beloved is awaiting us, at our respective times. He has made wonders for you, who are dear to him. He follows you with such tenderness!

"Your soul has suffered much and it has been longing for a long time to find the Eden where its erstwhile loves are. Let us carry on our way and love me; you know that makes Him happy."
