Friday, April 30, 1999 - 10:00 a.m.

(For Cegolene.)

One day, Cegolene will play a role in the Mission. Her heart is pure; she will not have to fear to be in the forefront. We will support her, when this moment comes. We have been following her for a long time; we bestow every care on certain souls. Let her know this; let her be in joy and peace. Besides, all has been said."
