Whispers from The Brighter World
A Fourth Revelation

Thursday, March 9, 2000 - 10:00 a.m.

You should not wander; you should go deeper and deeper inside yourself. "Thus is your path; it runs counter to your nature which compels you to go towards others and to like human contacts. It is in this inner sanctuary that your destiny is fulfilled. Some must overcome their nature in order to express themselves and you, you must do the opposite.

"Where you stand, you can understand these reasons perfectly. We want only your good and the blooming of your soul in this incarnation. Beyond your lack of performance on the physical level, you should see only this: what you achieve on the spiritual level, where you have every reason to be delighted."
