Whispers from The Brighter World

Friday, July 3, 1998 – 11:00 a.m.

(In a sitting with Odyl.)

Forget your body, at least during the sitting. You know well that it is the instrument we are using to prepare for you a glorious future.

(For Odyl.)

(For the ashram.)

Things are moving forward, be patient. J.C.B., an elite soul who walks in clogs.
