Whispers from The Brighter World
A Fourth Revelation

Sunday, March 12, 2000 - 8:00 a.m.

The presence of each one of us in you is only as one; we keep our individuality, but we form one and the same spirit and it is this one that resides in you.

"Our vibrations are unified and form a whole, a powerful one.

"We act for the good of the worlds, yours and those beyond where there is no perfection either. There is a lot to do for harmony to prevail in the universe one day. The objective is peace, which entails purification.

"Creation was perfect; but creatures are no longer such. The proliferation of created species has not developed in the right direction. Great and noble souls find their place in these worlds of madness and work towards the universal balance."
