Forget your problems of health. One day your body will be nothing but ashes."

The Medium: "Yes, but in the meantime, I have to manage the situation, Babuji."

"For the moment, you are managing, don't be worried. You are surrounded by charming people. Each one of them is doing what they can for you, and we are there too. Yes, this book on the Golden Jubilee is very well done, it is not updated, but it gives an overall picture of the Mission, which can help a beginner to better grasp it. We will be often close to you during this weekend. There will be a baptism of fire for our new recruit; we keep an eye on him. Rest, my child, don't waste your energy unnecessarily; it is precious for you to serve us."
