Whispers from The Brighter World
A Fourth Revelation

Wednesday, March 15, 2000 - 9:00 a.m.

Spirit prevails over matter. Spirit must prevail over the body; you have that power, you must make use of it. Make good use of it for yourself and the others. The body must adapt itself to this force that resides in it and not rebel any more. You can achieve this task and not be its slave any more.

"That is enough; make use of this power which is granted to you to make your life less hard. Control this power; you will use it to help your fellow man.

"See things differently. You should get accustomed to this new state, learn how to manage it and you will see the results. We know that you can achieve great things, so get down to work."
