Whispers from The Brighter World
A Fourth Revelation

Saturday, March 18, 2000 - 8:00 a.m.

The Earth spins round, so does the wheel of life. You have a short lapse of time to achieve what can be your 'masterpiece'. Do not fritter time away in vain processes; you should take advantage of opportunities granted to you to make a success of your path. Make the right choices, advisedly, by letting your conscience speak.

"Do not reject what can seem utopian to you; we suggest and you decide.

"We will not revert to the issue that has shaken you up a little bit over these recent days. We can see that your reaction is proper.

"Remain in a state of positive thinking and create a line of conduct accordingly for yourself.

"You know how much you are loved; we want the best for you by giving a new meaning to your life."
