Whispers from The Brighter World
A Third Revelation

Tuesday, July 3, 2001 - 8:00 a.m.

My dear daughter, spiritual progress is endless; it is up to you to make it attractive and productive. In this area, there is neither rest nor holidays, the effort must continue tirelessly with joy. It is of primary importance; for a burning heart, it is not about drudgery, but an exciting ritual carried on in requited love.

"The heart must show its worth, unremittingly, without expecting anything. It must love unrestrainedly, selflessly, and infinitely. The pursuit of the above is enriching, it transforms you and makes you grow in stature. You are amazed to realise that you are no longer the same.

"You left behind you your old vesture, so as to array yourself with a dress of light. Imperceptibly, you have reached this happy state. Perseverance pays off, particularly in this field where the acquired is priceless. It rests on you to manage it well, it cannot undergo any fluctuation coming from outside; this is appreciable. This treasure is yours by divine grace, do not forget it, and do not lose sight of it.

"Be conscious of your luck and continue to advance with your heart full of joy."
