Whispers from The Brighter World
A Fourth Revelation

Friday, March 24, 2000 - 10:00 a.m.

Immerse yourself in the 'divine presence' so that we will communicate from heart to heart. In these blessed moments, let yours vibrate at the same pace as mine, united in the love that binds us. My dear child, it is a pleasure to see you growing; we are delighted by that. Your François has come forward yesterday to tell you how much the beings that are dear to you are happy with your progress.

"There is no greater joy for us than to see a soul rising. Although you are in humility as concerns your spiritual state, it is enviable; you cannot deny it.

"Your heart gives vent to love, naturally, without even realising it. It has found its vocation. Is it not the most beautiful one? Distribute these precious pearls without counting; they constitute the inexhaustible legacy of our divine Creator.

"We bless you for your willingness to serve Him with the means you have, now and forever."
