Whispers from The Brighter World
A Third Revelation

Tuesday, August 7, 2001 - 10:00 a.m.

As we have just said, you are not a robot, you lay bare your soul in these messages. Our dialogue speaks for itself; it shows the bonds uniting us and sheds light on these messages. Love must manifest itself at all levels. When it develops between a Master and his disciple, it establishes deep and unfailing bonds. Living this inner experience is very formative for the aspirant; he advances under higher protection and his spiritual dimension is modified accordingly.

"Whether you live close to him or you are far away from his divine person, don't worry; he does not forget you. [Physical] distance is no hindrance to his work.

"Our abhyasis all over the world should rest assured: the distance is not an obstacle to the vibratory energy that he is able to propagate. Divine energy knows no insurmountable barriers - only your hearts, if they are particularly closed, can divert it - but it ends up winning out over anything. With time, nothing can resist it; it conquers the place and transforms the inside as soon as it is willing to welcome it."
