Whispers from The Brighter World
A Fourth Revelation

Sunday, March 26, 2000 - 5:00 p.m.

Let me grow inside you and organise your life to my liking. You will only be very pleased.

"Be completely surrendered, do not resist. You are going through an extraordinary experience which, according to your Earthly views, does not seem rational at all. These views are often distorted by the interpretations of some 'scientists' who are completely mistaken. Our rules pertain to a domain of pure mathematics; but you are indifferent to this aspect.

"Your heart should more and more become like a child's heart: a precious tool of the Divine.

"Do not ask yourself too many questions. Let yourself live, carried by our love and detached from useless aspects.

"Be in peace."
