Whispers from The Brighter World
A Fourth Revelation

Monday, March 27, 2000 - 9:00 a.m.

Henceforth, you will have to conform to our laws. Your life is taking on another meaning and you must go where we wish you to go, without being surprised by the directions taken. You are within a strict framework and you must remain in it, since you have accepted.

"We trust you since we have been observing you for a long time. In addition to your natural abilities, you are reliable which is the reason for our choice.

"When you leave this Earth, all this could be revealed. You are exceptional compared to your fellow men and it is better to act as such.

"We know that two hearts vibrate in unison with yours and understand you. They are an anchor for you; may they be blessed for the support they provide you.

"My dear sister, we can see you are making progress in the acceptance of this new state. May it bring you inner strength and peace!"
