Whispers from The Brighter World

Tuesday, July 14, 1998 – 11:45 a.m.

*My child, meditate, meditate, your salvation lies there. How should I tell you? We know that this immobility is painful for you, but make an effort.*

The Medium: Yes, Babuji, I do not meditate enough. It is my weak point.

*Let your weak point become your strong point. The spiritual conquest is made of constantly renewed efforts; success is at this price. A long process is necessary to reach the centre. The course is long and sometimes painful; only the strong succeed. It is easier to enjoy the pleasures of life without worrying about the true path, but you know this. Never look back, but straight ahead, towards the light, the bliss, this is the goal.*

The Medium: O Babuji, it's wonderful to dive into oneself like this!

*How can you neglect what few human beings know? I bless you, my daughter. Soak up this message well.*

The Medium: O beloved Babuji,... thank you...

*Never doubt the messages you receive; you are a privileged person.*
