Whispers from The Brighter World

Tuesday, January 13, 2015 — 10:00 a.m.

Dearest Kamlesh,

"A path is opening up before you. Now that you are vested with the powers of a spiritual Master, it is your responsibility, with our full support, to lead this Mission to its highest level — this Mission that is so dear to all. You will succeed in this. Such is your destiny and the destiny of an unprecedented spiritual path given to the world at a pivotal moment in its evolution. Big changes will occur on Earth; they have long been foreseen. Humans will have to adapt on the material plane and, for their own good, secure a space of inner freedom that will foster their spiritual evolution.

"Beautiful and great souls have been serving our Mission with constancy, and for a long time. Their aura is shining in the firmament of the Mission. May all become motivated and show their commitment more than ever, driven by an unprecedented surge of love towards the Masters. Parthasarathi is discovering the Sahaj Marg way from a different perspective — from on high, shall we say — and he marvels at the fervour it generates in the hearts of so many abhyasis, some of whom have been committed for a very long time. Thus all is well. May all realise that a page is being turned. In each one's own manner and with all possible commitment towards the living Master, our dear Kamlesh, may every abhyasi take part in writing the most beautiful pages of this Mission that is so precious to us.

"Blessings."
