Whispers from The Brighter World

Sunday, January 3, 2016 — 10:00 a.m.

The powerful outpouring of our love overwhelms you, and it extends throughout the Mission. This message is another testimony to it. The seminar in Lyon — whether attended or not — will leave its mark on the minds of many of our brothers and sisters who are receptive to the extraordinary action of our dear Kamlesh, the spiritual Master chosen by us to achieve the best according to our wishes. What will be accomplished in the long run will remain crucial; more changes and modifications in the structures will be needed to facilitate the practice and expansion of this Sahaj Marg Mission across the world. It will expand according to our wishes, and its action will intensify over time in response to an unprecedented appeal.

"The best to all from our united hearts, under our ceaseless blessings."
