Whispers from The Brighter World

Thursday, February 11, 2016 — 10:00 a.m.

These big celebrations are some of the strong points in our Mission; they demonstrate all of its importance and the benefits it produces here below. They are to be specially respected. Each celebration leaves its traces on our abhyasis in the results achieved, in the memories of those results and in the many benefits enjoyed by all of our brothers and sisters who are committed to a greater or lesser degree, according to their capabilities. A magnificent seminar is taking place in India in this high place of spirituality. This place will remain the highlight of all buildings erected for this beautiful Mission whose action on people's hearts is exemplary.

"Everything takes place discreetly, in secrecy, and yet results are achieved that will defy time. Is there anything more beautiful, more noble, than a soul opening up to bliss, that which embellishes and transports one to the sacred shores so often evoked in these messages. How can we not revert again and again to this very essential aspect for a person on the path, who deeply aspires to rise and go beyond this world of matter that is so disappointing in so many circumstances. Humanity is what it is, and perhaps it will have to suffer a lot more before reaching a higher level of consciousness, as divine laws cannot be circumvented. Sahaj Marg offers a rare opportunity, that of actually growing and becoming refined in highly sensitive points that are crucial on this journey towards the Eternal. Everything is done accordingly, under our ceaseless blessings."
