Whispers from The Brighter World
A Fourth Revelation

Tuesday, April 4, 2000 - 8:30 a.m.

Did I not tell you that we were going to do good work together? When will you start believing it? Your surprises are not yet over. When well directed, the power of the spirit can transform matter. It is now about consolidating that which can be consolidated.

"God in His infinite kindness makes it possible for us to assist humans to make them become aware of the true meaning of life and to open their eyes to the realities of the beyond. There is no predetermined choice; grace goes where it must go. Happy is the being who receives it, his destiny takes on a new meaning.

"Let us continue together to do this work on you, to give you the physical and moral strength to carry through what you must achieve. This blessed moment of your life is also its achievement."
