Whispers from The Brighter World
A Fourth Revelation

Tuesday, April 4, 2000 - 10:00 a.m.

What is happening to you is a rare opportunity. Become well aware of the luck you have. No life is useless, but yours has a special meaning. You can be thankful for having been chosen to serve God's intentions.

"My dear daughter, I am happy to see your evolution. Even if you still have a long way to go, you have reached a critical point where there is no limit to what we can hope for. The road to the Holy of Holies is long. We bless you for your efforts; by striving to serve us out of love, you are shaping your own evolution.

"Continue what you are doing with The Venerable; that does not change anything with our relationship which is 'immutable'."

The Medium: "Beloved Father, it is so good to come and rejuvenate myself by your side, my heart is happy."
