Whispers from The Brighter World
A Fourth Revelation

Thursday, April 6, 2000 - 8:30 a.m.

When you rejoin us, you will be amazed; we have played so many roles over our successive incarnations. When my true face is revealed to you, you will be happy to have shared this experience with 'The Venerable'.

"Our ways cross by divine grace. You can touch hearts with this small seemingly insignificant key, yet one that can open the most precious boxes where the secrets are hidden.

"Your Beloved carries you in him and carries you to Him; he cannot help giving! He is a prince in this luminous world – not to say a king, since the king does not have a face, he never had one, he is 'All-powerful'. Since the beginning and until the end of time, so will it be.

"You will discover part of 'these secrets' when the time comes, when you have become nothing but subtle vibrations far from the storms of the Earth.

"For the moment, you must continue to advance blindfolded, but connected to the heart of the worlds."
