Whispers from The Brighter World

A Fourth Revelation

Friday, April 7, 2000 - 10:00 a.m.

We will proceed with these messages, until you are capable of acting fully as per our expectations without needing this assistance. We are creating for you a suit of armour so that you will be more effective in your action. Be patient, let yourself be carried with the passing days, without trying to see or understand.

"You know well that spiritual laws are not compatible with human reasoning. What can the 'little man' do in the face of the absolute greatness of the whole creation? He is only an atom without much importance, which can multiply or disappear and then be re-created in some other sphere.

"Remember your motto 'all is nothing', to which one can add, creation is a vast vibratory mass, perpetually moving and being constantly transformed. Nothing is immutable; there actually lies man's tragedy, though he cannot admit it."
