Whispers from The Brighter World

Wednesday, September 7, 2016 — 10:00 a.m.

Your heart is calling us. Many of our brothers and sisters follow these messages; they will not regret it. These writings transmit a special energy, as desired by the entire hierarchy of Masters, who are very sensitive to the evolution of the Sahaj Marg Mission. Its Master, our very dear and great son Kamlesh, does not have an easy life; this contributes to his greatness and to the imperishable things he will leave behind. Everything is counted and has its raison d'être. No journey is easy, however great it may be. India is at the heart of the Sahaj Marg Mission; nevertheless, the Mission covers this world very broadly, and its roots are going deeper, so as never to leave the world again. This way will continue to astonish, as the future will demonstrate. Here and now the best possible is being prepared in the realm of spirituality. The divine power operates as it sees fit, supporting us greatly. It is up to each and every one to realise their opportunity and to be truly committed to this unique process.

Our protection and blessings to each one, thus reinforcing the very special soundness and strength of this Sahaj Marg Mission.
