Whispers from The Brighter World

Saturday, October 8, 2016 — 10:00 a.m.

So much has been achieved! You are touched by rereading this old message from Master Parthasarathi. We have come such a long way despite doubts you had in the beginning; love and trust have resulted in these thousands of pages that have accumulated, generating such a treasure. The word is not too strong; in such circumstances, time allows one to assess the true worth of events. It is unusual for such a large number of writings emanating from the Source to be disseminated as these have been. In many respects, the history of Sahaj Marg is not ordinary. It is different, and above all it produces very satisfactory results, you can be sure. Thus are being fulfilled the wishes of the entire Hierarchy that is so attentive to our great and blessed son Kamlesh. He is doing great things for this Mission, a Mission that is so important to all of us here, and he will do even more in times to come. Through its unprecedented action upon open and receptive hearts, Sahaj Marg will amaze, one might say.

This is how it is — by the grace of God and the united Masters, for the good of all, with our blessings.
