Whispers from The Brighter World

Wednesday, June 15, 2016 — 10:00 a.m.

What you write is beautiful. This song comes from a faithful and loving heart, dedicated to our glory, as it is said. We hear it with pleasure; so many complaints ascend to us, that the freshness of this is appreciable. Love and sincerity emanate from it, justifying these collections of writings. One day they will help sincere hearts that are only calling for the Divine, beyond any other literary consideration. We love the spontaneity and the true love, as manifested here in all its beauty. Dear beautiful soul, do not suppress these unparalleled impulses in yourself. We appreciate these writings, and this will not change.

This is how it is.
