Whispers from The Brighter World

Sunday, July 26, 1998 – 8:00 a.m.

Tell your friend that we will help her. Difficult days are ahead; humanity will experience a great change in the next decade. It will be better to know how to pray to God and get in the habit of it. A new era is dawning. People will have to turn to wisdom. Continue, my child, to go towards the essential. Detach yourself from irrelevant things.
